DETAILED ACTION

Response to Amendment

1. The reply filed on 02/25/05 is not fully responsive because it fails to include a complete or accurate record of the substance of the 13 October 2004 interview. For example, the Examiner has notes in which the applicant stated his device did not apply to automobile vehicular systems because in those systems the device is "always on". Applicant also stated that the device was applicable to aeronautical systems wherein systems had to be "armed". These are but a few of several arguments applicant submitted but appear nowhere in the amendment. Moreover, the last Office action contained objections to the drawings and rejections under 35 USC 102 and 112. The details of the interview summary are insufficient to traverse the objections/rejections of record. Since the above mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 CFR 1.136(a).
